**Notes:**

1. Tragedy struck twice at air shows in the UK in August and much has been said about both events. In due course the real experts will make their conclusions about what caused these accidents but the immediate effect on those involved directly as victims or witnesses has been immense and, for many, life changing. Condolences to all those affected - a month that many would prefer to forget.
2. Former Red Arrows Hawk T1A XX306 has returned to RAF Scampton and should end up as the gate guard there.
3. Chinook ZK559 is currently at Seaforth Docks and will be delivered to Odiham tomorrow.
4. Thanks to the UK Serials site, this month's update includes a considerable number of changes to the ZZ... sequence.
