Notes:

1. The Defence Procurement Agency and the Defence Logistics Organisation have merged and from 1st April 2007 are now known as Defence Equipment and Support (DE&S).
2. Chinooks at Odiham are now operated on a pool basis in a similar way to the Hercules at Lyneham. As a result, squadron markings are not carried.
3. 800 Sqn and 801 Sqn are now operating at the Naval Strike Wing (NSW).
4. The recently announced Predator B order is listed. The aircraft will be operated by No 39 Sqn based at Creech AFB, Nevada, USA but only a few are expected to have been delivered by the end of the year.
