Notes:

1. A number of machines show changes following the sad closure of the Bournemouth Aviation Museum on December 16th 2007.
2. December 20th saw the last flight of a Jaguar in UK military markings when XX833 was retired at Boscombe Down.
3. As has widely been reported, new Typhoons are now emerging as the FGR4 and T3.
4. 78 Sqn has now reformed at RAF Benson and it now appears that its aircraft will be coded from AA to AF in sequence, not as previously thought.
