Notes:

1. This update reflects a reduction in the number of Tornado F3 squadrons with the disbanding of both No 25 Sqn at Leeming and No 56(R) Sqn at Leuchars. Aside from a handful of machines in the Falkland Islands, the remainder of the active fleet is now shared between Nos 43 and 111 Sqns at Leuchars.
2. The RAF lost its first Typhoon, ZJ943, in a crash at China Lake in April.
3. It is reported that the RAF lost one of its two Reaper UAVs (ZZ200 or ZZ201) on April 9, 2008 in Afghanistan.
4. Two new Hawker Beechcraft King Air B200GTs have been ordered for 45(R) Squadron. The first, N3196N (c/n BY-36) is already in the UK while the second, N32EU (c/n BY-32) will follow shortly. They will both be operated by SERCO on behalf of the RAF and UK markings should be allocated shortly.
