Notes:

1. XH767 is currently at RAF Leeming, where it has been repainted. It will return to Elvington in due course.
2. Contrary to reports at the time, XV420 was not scrapped a few weeks ago but it is up for disposal and is likely to be scrapped shortly.
3. ZK113 is a Royal Saudi Air Force Tornado which has returned to BAE for rework. It was one of several which were not issued with UK serials prior to initial delivery.
