Notes:

1. VC10 XR808, the last of the C1K variant still in service, was flown to Bruntingthorpe on 29 July 2013. The plan is to then dismantle it and take it by road to RAF Cosford after it was discovered that trees on the approach to Cosford had grown too high to make a landing there safely.
2. It was recently announced that 617 Squadron will be the first Lightning II squadron, initially based at RAF Marham. Ahead of this, 617 Sqn will disband on 1st April 2014.
