Notes:

1. A number of Buchóns have been repainted recently, mainly in connection with filming. Some of these changes are not recorded on the CAA's G-INFO web site so they may be temporary but at least this gives a record of what the aircraft have worn during recent times.
2. Stearman N68427 was damaged when it landed on Cessna 182B G-OMAG at Dunkeswell on 20 August 2021.
