#### Notes:

1. Hawks XX178 and XX227 were delivered by road to Cosford on 25 February and 26 February 2020 respectively.
2. This update includes details of further Tucano dismantling at Linton-on-Ouse, with just two left complete by mid-February: ZF139 and ZF317, and those were also dismantled, ready for departure, by the end of the month. As yet no firm details have emerged of the subsequent destination for the Tucano fleet but it is hoped that one will be preserved for the RAF Museum.
3. Merlin HC3A ZJ994 undertook the last flight of the type when it was delivered to Yeovil for conversion on 10 February 2020.
4. The first Poseidon MRA1 to arrive in the UK was ZP801 on 4 February 2020. With facilities not ready at Lossiemouth, it is currently based at Kinloss.
5. All entries in this update will also be included in the forthcoming 'Military Aircraft Markings 2020'.
