Notes:

1. Another Spitfire replica has been created to depict EN398. The plan for this one is to erect it on a pole in Salisbury to commemorate all those who built the Spitfire in secret at various locations near and in the city. For more information, head here: <https://www.secretspitfires.com/>
2. As has been widely published, Sea Fury WG655 was badly damaged in a forced landing at Harston, Cambs on 4 August 2020.
3. Jupiter HT1s G-CLKO, G-CLKP and G-CLKS were cancelled from the UK register on 19 August 2020 and shortly after two were delivered to RAF Valley for 202 Squadron, with ZM501 returning to Shawbury.
4. Reports are surfacing of four T-6C Texan T1s in an additional order for the RAF, with several being seen flying in the US in colours akin to the machines used at Valley. It appears that two will be delivered before the end of the year.
