Notes:

1. Lancaster fuselage PD130 is being built using parts from original aircraft where possible.
2. Sea King HC4 ZA314 took to the air again at Chard on 1 October 2020, as G-CMDO.
3. Identities have now been allocated for the Qatari Hawk order, which follows on from a sequence last used for Hawk Mk.166s for Oman. One wonders if these will turn out to be the last Hawks built.
4. With runway resurfacing work completed at RAF Lossiemouth, aircraft have now moved back in.
5. As this update is completed, the next four Texans for the RAF have arrived at Glasgow on delivery to the RAF.
